PLEASE BRING THIS CATALOG WITH YOU TO THE SALE

-: Announcement :-

ALLOW us to extend to all Breeders and Lovers of the Whites, Reds and Roans an invitation to be with us on June 4th, 1914.

The cattle we are selling are a good lot both in breeding and individuality. The offering is mostly young with all their lives before them, included there are twelve head sired by King Cumberland 2d that we think will compare favorably with any to be sold this year. Also twenty head of heifers sired by Red Archer, mostly bred to King Cumberland 2d, that will please you.

The bulls are a good, useful lot, among which are bulls fit to head the best of herds, and bulls for the farmer.

H. H. POWELL & SON.

Accommodations

Sale will be held in tent. No postponement on account of the weather. No pains spared to make it pleasant for all. Free transportation will be furnished to and from the farm, and parties from a distance will be my guests at the hotel. Free dinner will be served at 11:30 o'clock, sale to begin promptly at one o'clock.

Terms

Cash, or 6 to 12 month's time, on bankable notes, at 8 per cent interest. Purchasers that desire time will please bring late bank references.

Bids may be sent to Col. Jones or Burge in my care. White of the Homestead and Cantine of Wallace's Farmer will attend and will look after anything sent to them.

Guarantee

All bulls guaranteed breeders when properly cared for. If a bull fails to breed, we must be notified within six months from date of sale, then we reserve the right to have bull returned to us for further trial, bull to be in as good condition as when sold. If he then fails to breed, purchase price will be returned; but if bull breeds for us, he will be returned to purchaser at his expense.

All females of breeding age are guaranteed breeders when properly cared for. A cow with calf at side is a proven breeder, and no further guarantee given. Should any recently bred fail to settle, purchaser will try for six months, and if she fails to settle in that time, we reserve the right to have her returned to us for ninety days' trial, and if we succeed in getting her in calf, she will be returned to purchaser at his expense; otherwise money will be refunded.

Cattle will be loaded on cars free of charge, but will be at purchaser's risk as soon as bid off.

Attention is called to the sales of H. G. McMillan & Sons, Rock Rapids, Iowa, June 3, 1914 and H. Rees & Sons, Pilger, Nebraska, at South Omaha, June 2, 1914. Good connections by train for all three sales.

Red Archer 278105—(as his get will prove on sale day) we consider one of the best bulls we ever owned. He is now eight years old and weighs 2320 in breeding condition, and is as active as a 1000-lb. calf. The heifers sired by him, and bred to King Cumberland 2d, we expect to make good, as they are the type the up-to-date breeders are looking for.

Ceremonious Archer 171479—roan, calved February 12, 1901; bred by George Harding & Son, Waukesha, Wis., got by Best of Archers 141832, out of Imp. Lady in Waiting by Master of the Ceremonies 136633.

Imp. Marquis of Zenda 157854—the great Missie bull, was at the head of the Pine Grove herd. He was sired by the grand old Brawith Bud bull, Wanderer (60138). His dam was Missie 123d by William of Orange (50694); she was also the dam of Missie 153d, that was selected by Mr. Marr as his best Missie to represent his herd at the International sale in Chicago, when she made the record price for a Scotch cow, and was bought for the Pine Grove herd at \$6000.

King Cumberland 2d 352076—has the distinction of being a full brother to King Cumberland the 1908 Grand Champion, that sold to the Elmdorff Farm for \$5000 and was the sire of the 1912 Junior Champion, King Secret. Following taken from the Homestead: "King Cumberland 2d, the noted junior champion bull at Des Moines, and one of the greatest bulls living today. We looked him over the other day and we don't think we ever saw him looking better. Not only is this bull a remarkable individual, but he is one of the most pretentious sires in the West today. King Cumberland 2d is a remarkable bull in his fleshing qualities, in his type and character, in his depth of quarters, with his great back and loin and in his general makeup. No matter where you may travel either east or west, you will rarely find such a magnificent bull as is this great son of Cumberland's Last and that noted breeding cow, Miss Walpole."

Cumberland's Last 229822—white, calved March 13, 1904; bred by C. A. Saunders, Manilla, Iowa, got by Cumberland 118578, out of Imp. Lady Douglas by Lord Douglas 132003.

Flora 2d 150136—is one of the best things we have in the sale. She possesses a very deep, wide body on very short legs; is well along in calf to King Cumberland 2d.

The Cruickshank Duchess of Gloster Family—is perhaps one of the best known families among the Cruickshank Short Horns throughout Canada and the United States. Duchess of Gloster 12th in above pedigree was imported in 1871, and she has been the foundation of a great number of Short Horns that for milking and feed qualities can scarcely be equalled in any country. Perhaps no Scotch family has been more prolific, and it is safe to say that none has done more good to the breed and their owners.

The Cruickshank Duchess of Gloster Family—is perhaps one of the best known families among the Cruickshank Short Horns throughout Canada and the United States. Duchess of Gloster 12th in above pedigree was imported in 1871, and she has been the foundation of a great number of Short Horns that for milking and feed qualities can scarcely be equalled in any country. Perhaps no Scotch family has been more prolific, and it is safe to say that none has done more good to the breed and their owners.

Red Archer 278105—(as his get will prove on sale day) we consider one of the best bulls we ever owned. He is now eight years old and weighs 2320 in breeding condition, and is as active as a 1000-lb. calf. The heifers sired by him, and bred to King Cumberland 2d, we expect to make good, as they are the type the up-to-date breeders are looking for.

Imp. Mary Ann of Lancaster 7th—was bred by N. Reid, Danestown, near Aberdeen, Scotland. Lancaster 16th was bought by Mr. Cruickshank at the Wilkinson sale in 1854. She was one of the first prize pair of cows at the Royal Northern in 1856, and her daughter, the handsome Lancaster 25th, Mr. Barclay of Keavil gave 150 guineas. She was in calf at the time, and in April, 1862, gave birth to triplets—three heifers, two of which, Anne of Lancaster and Mary of Lancaster, won prizes at Kelso as yearlings. Mary of Lancaster subsequently became the dam of Imp. Baron Booth of Lancaster, the great show and breeding bull owned by J. H. Pickrell, that sired the first bull ever bred in Illinois to sell for \$3000.

The heifers sired by him, and bred to King Cumberland 2d, we expect to make good, as they are the type the up-to-date breeders are looking for.

Red Cumberland 2d—is a bull of promise, all red, with great style and a head that is hard to beat, has plenty of size, backed by quality, will sell a little thin in flesh.

The Cruickshank Duchess of Gloster Family—is perhaps one of the best known families among the Cruickshank Short Horns throughout Canada and the United States. Duchess of Gloster 12th in above pedigree was imported in 1871, and she has been the foundation of a great number of Short Horns that for milking and feed qualities can scarcely be equalled in any country. Perhaps no Scotch family has been more prolific, and it is safe to say that none has done more good to the breed and their owners.

Prince Cumberland—is a bull fit to head any herd in Iowa, being low down, thick on both ends, with a good head, sired by the 1911 Junior Champion, King Cumberland 2d he a full brother to the 1909 Grand Champion, King Cumberland owned by the Elmdorff Farm. This bull will suit.

Imp. Princess Royal 6th—out of the same dam as Imp. Princess Alice, Luther Adams' great show heifer, both from Mr. Duthie's fine herd, now the most noted herd in Scotland. The Princess Royal family is justly regarded as one of the best of Scotch breeding, and Imp. Princess Royal 6th is a grand cow of the true Scotch type and great constitution.
